CAMPS - TRAVEL - EDUCATION
UK & CANADA

2024

Learn & Experience have inspired & nurtured young people (8-17) since 2009 with our award winning World Camps, Teen Travel & Young Global Leader programmes in UK and Canada.

Our programmes enable young people to experience and learn life skills while expert and empathetic guidance are provided. As a result making friendships that span the globe along the way.

With L&E, it is especially relevant that young people develop their independence and their confidence. Again and again, in their own words, they tell us they've had the time of their lives.

“We are a small company and strive for quality in everything we do. Furthermore, we really understand how much trust parents are putting in us with their children and we take this responsibility very seriously. Therefore, safety and welfare is our highest concern.

Our caring staff are chosen for their ability to work with children and, most of all, to understand children.

Ultimately, we want the children to have an amazing experience and for their parents to know that they are safe and well cared for, this is what we have achieved, and furthermore what we will always will achieve.”

"An amazing experience for Kasia, and being star camper was the icing on the cake for her :-). The blog and photos were an excellent way for us to see what was going on and how she was doing. She was an extremely long way away from us but we never felt nervous as she was clearly so happy and well looked after, thank you."

Caroline, New Zealand (Kasia's mum)

"Learn & Experience is an incredible opportunity to grow up and improve language and practical skills. You meet new friends & learn how to express yourself respecting others."

Massimo, Italy (Gaia's Dad)

"I was expecting that it was just a normal camp like the ones in America but it is much more. It focuses more on bonding between campers and gives everyone an opportunity to do what they want to do. L&E is truly the best camp I have been to so far. It is a great opportunity to meet new people and create genuine friendships that you will always remember."

Victoria, USA (Camper)

"My wife and I would like to thank all you provided for Aidan. 2 days after Aidan returned from England, we found that there is big change from him. More polite, better eye contact while listening to us and the care taken with others."

Stanley, Hong Kong (Aidan's Dad)

"Travis had the most amazing time and has learned that he can do more things himself than needing us to do them for him. His independence has grown. He loved the activities and spending the time with children from around the world. Meeting new friends and spending time doing new activities. "

Kerry, England (Travis' Mum)

"It was a wonderful experience for her. 2 weeks was enough time for her to make good friendships. She made lasting friends from Denmark and Italy that she still communicates frequently with. The activities were varied and included various sports, horseback riding and fantastic excursions. I highly recommend this camp to anybody"

Robert, Vancouver, Canada (Melissa's Dad).

WHAT DO WE DO EACH DAY?

Our days are jam packed! The children have a choice from a huge variety of activity options each session (morning & afternoon). There will always be Adventure, Sport and Creative options plus our specialist courses. We pride ourselves on the high standard of tuition and the passion we bring to each.

Every day between 1700 – 1800 we always offer the children a chance to relax with some free time in our heated swimming pool (Aysgarth) or lake (Shawnigan). We offer a fully residential programme on our summer camps, this means we can carry on the fun into the evening and we have a special activity every night. Our evening activities include:

Ice Breaker Games, Camp Fire Nights, Movie Nights, Talent Shows, Trivia Competitions, Water Fight Championships, Theme Nights + more

"L&E is a true learning experience of life. Learning & Experiencing different things together as a team, building a strong team spirit."

HOW ARE WORLD CAMPS DIFFERENT?

- A maximum of 80 residential children each week (Meaning we can get to know each child really well)
- High level of interaction from tutors (Our policy is 1:5 Staff to Child Ratio)
- A personal service like no other Summer Camp can offer
- We really do care about each individual
- A large proportion of the children will be native English speakers which means English is spoken socially all the time (the best way to learn!)
- We limit large groups of one nationality so that we have a great balance at camp
- Children aged 8-15 years old are welcome at our camp

We have had children attend our L&E World Camps from over 50 different countries.

All races and religions are welcome. International friendship and understanding are an important part of our camps.

"To be able to do sporty activities & also be able to be creative is the best thing about L&E World Camps"

NEW-COMERS GUIDE TO OUR EVENING ACTIVITIES

ICE-BREAKERS:

Campers are put into teams and play games like wacky races, chubby bunnies and bin bag fashion all ending in the famous "egg drop"! This is a chance to get to know everyone and make fast friends!

CAMPFIRE:

A magical night of songs, marshmallows and new friends. Some campers get patriotic and sing national anthems while some like to sing the classics!

MOVIE NIGHT:

This is a chance for the campers to relax with popcorn and duvets. There are usually a few snoring children by the end! Don't worry-we take requests & all the campers are catered for!

THEME NIGHT:

Most would argue that this is the best night of the week. Staff get suitably dressed up and campers can bring outfits as well but there's no pressure.

L&E OSCARS & PARTY:

This is the big finale where everyone gets dressed up! We celebrate each and every child and look back on the past week. There are lots of awards up for grabs, but all eyes are on the coveted Star Camper Award

FREQUENTLY ASKED QUESTIONS

THIS BIT IS FOR THE PARENTS!

HOW LONG SHOULD WE COME FOR?

This is a tricky one. It really depends on your child. The questions you should ask yourself when thinking about this are: i. How old are they? ii. Have they been away from home before? iii. What do they want out of a Summer Camp? iv. Do they have friends or siblings coming with them? Please call us for any advice. We are very experienced and can usually help you work through the decision so that we make the best decision for your child.

HOW DO MY CHILDREN IMPROVE THEIR ENGLISH?

L&E is an English speaking camp. Our staff team speak English and all our activities are run in English. Each camp we have native English speakers as well as not accepting big group with the same mother-tongue to maximise English learning. We also have L&E English Language Lessons available each morning. If you are coming from overseas we can guarantee your child will receive a full English immersive experience at L&E!

WHEN DO I NEED TO BOOK?

On each course we accept a limited number of children who share the same mother tongue and we give priority to returning students. Because of this, places for some nationalities are fully booked early in the year and sometimes earlier. You can check to see if a place is available by completing the first part of our Booking Form. We occasionally get cancellations so we operate a waitlist. If you need a visa this can take longer than expected so please allow plenty of time.

FAQS

CONTINUED

WHAT IF MY CHILD GETS HOMESICK?

We will provide full support, helping your child to overcome any homesickness and becoming stronger and more self-assured in the process. It is very normal to have these concerns but once at camp any worries usually disappear very quickly.

DO YOU OFFER DISCOUNTS?

Yes. We offer discounts for siblings. We are sure that you will find our courses offer excellent value for money compared to other similar organisations.

WHO ARE THE CHILDREN?

We have children from many different countries, from all races, religions and cultures. It is very important to L&E's philosophy that children are interacting with others from a broad spectrum of backgrounds. We want as many local children to attend as possible. Apart, from the English Language course for our overseas campers nothing else is aimed specifically at the International children.

WILL WE BE ABLE TO CONTACT OUR CHILD?

Yes. The children will have email and phone access. The Camp Office will also have a telephone number to access 24 hours a day. We know that being away from home can be a bit scary, but we absolutely promise that we'll do everything we can to make sure the only reason your child is missing home is because they'll want to tell you all about their time with L&E.

WHAT MAKES L&E WORLD CAMPS SPECIAL?

At L&E Summer Camps, we have a clear motto: 'Happy Children Thrive'. Combine this with "Harry Potter" esque venues in beautiful countryside locations, friendly staff, a safe and well-supervised environment, stunning activity courses and evening programmes. A personal service is also offered from the L&E World Camp Team; from the moment you enquire all the way through to the camps they are there to talk though everything and anything.

"You interact with a lot of new people, it was a definite confidence boost for me".

TEEN TRAVEL: 3 MAIN OBJECTIVES

- To prepare young people (14-17) for any travelling they do in the future
- To give Teens the chance to make their own decisions and understand what it's like to be part of a diverse group.
- To give parents the reassurance that their children are learning valuable life skills in a safe, secure but exciting and challenging environment.

This is an exciting way for teen travellers to 'dip their toes in the water' – to inspire them and to equip them with the skills and knowledge to travel well.

FREQUENTLY ASKED QUESTIONS

THIS BIT IS FOR THE PARENTS!

WHO CAN GO ON YOUR TRIPS?

Teenagers (14 - 17 years old) from all over the world may participate in our trips.

ARE YOUR TRIPS FOR BOYS AND GIRLS?

Yes, our trips are all mixed, and boys and girls sleep in separate rooms on all of our trips. We will always try to get an even 50/50 split of girls and boys on each trip

DO MOST TEENS TRAVELLERS (TTs) COME BY THEMSELVES OR WITH A FRIEND?

Either is fine. Coming by yourself means you're able to fully embrace the experience of meeting new people and be fully immersed. Group bonding happens very quickly and TTs tend to make lasting friendships while traveling with us. However, teens applying together with the mindset to embrace the group and new friendships will also thrive. We're very happy to talk through the application process with both parents and teens

WHAT IS THE L&E TEEN TRAVEL STYLE OF TRAVELING?

L&E Teen Travel really gives our Teen Travellers a lot of responsibility but they will not be alone; as well as our experienced Travel Mentors (TMs) they have EACH OTHER. We strive to make sure our trips are carried out in an atmosphere of acceptance and respect. Consideration for others, personal responsibility, teamwork and kindness are virtues we embrace at all levels every day and at all times. We consider the intangible aspects of travel to be very important. Bonding, friendships, respect and feeling cared for and valued are fundamental to our philosophy.

FAQS

CONTINUED

WHAT ARE THE RULES ON YOUR TRIPS, AND HOW DO YOU ENFORCE THEM?

We actually allow the groups to agree on some rules at the beginning of each trip however we do have four unbending and unbreakable rules, which can result in being sent home at the family's expense:

1. No leaving the group without permission of a staff member
2. No drugs or alcohol
3. No inviting strangers into the group
4. No sexual activity

We take these rules seriously and we enforce them for your safety and the safety of the group.

SHOULD I PURCHASE TRAVEL INSURANCE?

Considering its relatively low cost, we **STRONGLY** recommend that you purchase traveler's insurance for protection against trip cancellation due to medical/family emergencies, strikes and/or flight cancellations, lost baggage situations, full medical coverage abroad, and more

WHAT IS INCLUDED IN THE PRICE OF THE TRIP?

Everything during the trip is included except for lunch.

Flights to and from the start and end points for each trip are not included. As we have students joining us from all over the World, it is impossible for us to consistently price our trips to include flights. However, if there are flights during a trip then these will be included
