Welcome to L&E

We are very excited about our camps this year. Here is all the **ESSENTIAL INFORMATION FOR PARENTS & CHILDREN** to get your child(ren) ready for camp.

If you need advice or clarification on anything, please contact us.

Hopefully, the sun will shine! We look forward to seeing you soon.

With Our Very Best Wishes,

Sam & the rest of the L&E Team

ARRIVAL & DEPARTURE

When arriving at camp there are 3 things to do before anything else:

- Registration: Please make this your first thing on the "to do" list – it lets us know you're here!
- Medical Information: You must hand in all medication in a named and sealed bag/container with clear written instructions for use, accompanied by one of our Medical Forms. This is available on our website. (We will also have them available at camp). Please confirm we have the correct details regarding all aspects of your child's medical needs.
- Bank: Pocket money must be deposited in the Camp Bank for safekeeping.

Check-in is between 1700 and 1800 on arrival day. (Sunday) We will have a Family BBQ or Afternoon Tea (depending on the weather!) where you get to meet all the staff.

Please do not arrive before 17:00. We will not be able to check in your child before that time.

Going Home – Children can be collected from 0900 but before 1100 on pick up day (Saturday) and must "checkout" with a member of staff.

Obviously, if your children are using the Airport Transfer Service then a lot of this information is not relevant. However, please provide a medical form for them to hand in or complete online.

CONTACTING US

If you have any questions or concerns during camp it is always best to call us. The camp phone number will always be diverted to a staff member. You can then try the Director's numbers. As a last resort you can try the school number.

L&E Camp Phone: +44 1756 521000 (24 hours)

Twyford School: 01962 712269 (only available between 0900 - 1600 GMT)

CONTACT WITH YOUR CHILDREN

You can call, text, whatsapp, email and even video call us anytime.

Children can obviously call home at any time if they really need, however, we encourage this to be between 1830-1900 BST This is to ensure it doesn't disrupt activities.

Delivery of the post is very exciting for those who receive letters. Please use the school addresses (see above). You can also send emails to your children to kidmail@learnandexperience.com These are handed out at the next available meal time. They also have access to computers so they can return emails.

MOBILE PHONES

Children can bring their mobile phones/devices however there are some rules:

- 1) It will be kept by L&E in our safe until needed.
- 2) They can only have access to it at the allocated times. Normally, at 1830 after evening meal.
- 3) They may not have great reception as some networks do not work very well on our site.
- 4) We will take no responsibility if the mobile gets lost, stolen or broken.
- 5) It must also be understood that phones may not be used during activity sessions or meal times.

THE COUNTRYSIDE

Twyford is in the countryside and is very different to living in town. If your child suffers from asthma or hay fever there is a chance this will be worse than usual on camp.

DORMITORIES

Allocating dormitories is a very difficult task. Every possible step is taken to accommodate everyone fairly. So please bear with us...

MEDICAL

On the L&E Medical Form you will sign a declaration giving us permission to administer medication e.g. sun cream, paracetamol (acetaminophen), ibuprofen, antihistamine, skin healing cream & plasters. If this is not the case you must make us aware on the form. If you send sun cream on camp with your child, it must be hypoallergenic and be labelled with your child's name.

It is important to have valid medical insurance for your child's visit.

SLEEPING BAGS & LAUNDRY

We will provide all bedding; pillow, pillow case and bed sheet as standard plus duvets and covers. Children are welcome to bring their own cover to make things more homely.

A laundry service is available once or twice a week. Please name clothes. This service is NOT SUITABLE FOR DELICATE OR EXPENSIVE CLOTHES, which should be ideally, not be brought at all. Please name all clothes.

MONEY

We run a Bank system at L&E where all the children's spending money can be kept in the L&E Bank and then issued when needed. We recommend that no more than £50 per week is needed. Below are the only options to spend money while at camp.

EXCURSIONS

Campers have the opportunity to spend money on the Saturday/Sunday excursions

*One week campers trips are in the week if booked ahead.

- Saturday 18th July: Winchester/ London
- Sunday 19th, July: Bournemouth/ Oxford
- Saturday 25th July: Winchester/ London
- Sunday 26th July: Bournemouth/ Oxford
- Saturday 1st August: Winchester/Bournemouth
- Sunday 2nd August: Bournemouth/Oxford

L&E SHOP

Children can pay £10 per week to access confectionary after lunch. This come direct from their L&E Bank Account.

Once again we will be selling the much loved L&E T-shirts & Caps, look out for the new design this year!!! We have sizes to fit everyone, from tiny campers right up to adult sizes!

New-comers guide to our Evening Activities

Ice-breakers:

Campers are put into teams and play lots of fun games with their new team mates! This is a chance to get to know everyone and make fast friends!

Campfire:

A magical night of songs, marshmallows and new friends. Some campers get patriotic and sing national anthems while some like to sing the classics!

Movie Night & Games:

This is a chance for the campers to relax with popcorn and duvets or try some of our famous wide games.

Theme Night:

Most would argue that this is the best night of the week.

Staff & Campers get suitably dressed up

Costumes are encouraged but there's no pressure if it becomes too stressful.

- **Week 1: FIFA**
- **Week 2: Camp-Chella**
- **Week 3: Netflix Universe**
- **Week 4: Traitors**

L&E Oscars & Party:

This is the big finale where everyone gets dressed up! We celebrate each and every child and look back on the past week and all the things we have achieved together. There are lots of awards up for grabs, but all eyes are on the coveted Star Camper Award which is revealed at the end of the night!

Want to help L&E??

4 ways you can help...

#1 School Information Evenings:

In 2025/2026 we held some successful information evenings at schools where we spoke to families about our programmes. If you are able to help us connect with your child's school we can plan a trip to your city and speak not only at your child's school but also to any friends that you have that might be interested in our programmes. We understand that sending your child to a camp/programme in another country is a big deal so we want to meet and speak to families so they can get to know us and to put their minds at ease.

#2 Follow, Like and Share our Instagram, Facebook YouTube posts

Our Social Media Channels are growing by the day and we have lots of amazing videos and photos. .

These posts help explain our programmes and feature campers, Teen Travellers, parents and staff.

Subscribe to our Learn & Experience, World Camp and Teen Travel pages!

#3 Leave us a Google review

You tell us time and time again what an amazing experience you have had so why not tell the world!

Google reviews really do help us and they take just a few minutes to write...

#4 Share your experience with your friends and network

As a small company working with children, word of mouth is and always has been our best way of marketing. It's very hard to compete with the big companies marketing budget! Please take the time to share your experiences with friends and family.

...and finally

L&E RULES

Just like anywhere we have some rules which are mostly there to keep us all safe.

Most of the issues at camp are small and can generally be avoided if we keep to our 3 most important but simple rules:

1. Be kind 2. Be kind 3. Be kind.
